

## POWER LINK BOXES

All **Nugent Power Link Boxes** feature universal 3 point linkage and are easy to operate. With Nugent's trademark durable construction the Power Link Boxes are designed to last. The Power Link Boxes can be fitted to either 2 wheel or 4 wheel drive tractors.

The **Nugent Quick Attach Link Box** removes the hassle of lining up conventional pins and allows the operator to attach the power box quickly.

- Low labour costs
- Good lifting capacity
- Treated with an anti-rust primer and finished in a high quality polyurethane paint
- Scraper along bottom, for light levelling work
- Specially designed reinforced panels for easy cleaning
- Compact to back of tractor

## POWER LINK BOXES

The Power Link Boxes can be fitted to either 2 wheel or 4 wheel drive tractors.

Specially designed reinforced panels for easy cleaning.

Distributor for Nugent Engineering
